Meanwhile, Selectman Pellegrini noted that Somerville had been looking for someone to utilize its incinerator.

land fill operation at Wright st., which was closed after litigation in 1959 and never reopened.

He also mentioned the opposition to land fill areas on Summer st. and the Concord Turnpike.

Lansing stated that since his last letter alleged unsightliness referred to in the present area has been somewhat corrected.

However, he continued, "From Christmas until yesterday, (Dec. 31) the edges of the dump were an unsightly mess. Today, however, they are covered, although there are hundreds of squawking sea gulls on the dump enjoying a New Year's Day banquet which indicates that there is plenty of garbage which is not covered.

The writer in his letter also touched on Section 8 of the zoning by-law which states that "the use of land for any purpose other than those specifically provided for in these by-laws is hereby forbidden. He alleges that loam is being taken from two tracts of land in the sanitary fill area.

## Publicity Chairmen Guide

### How To Help Newspapers To Help You

"As anyone working on a newspaper knows, there is more material received in a newspaper office each week than possibly can be used. The things that are unimportant to Arlington—like the stand of Senator Joe Doaks of Wisconsin on tariff questions, or the fact that John Smith Co. of New Jersey has designed a new kind of box—are quickly tossed in the paper basket. Then, of necessity, the weeding process must go further and involve news of Arlington, with the less important and the less presentable items giving way to the more important and the ones that require less work on the part of the editorial staff, for if there is anything a newspaper office is short on, that thing is time. "As a guide to publicity chairmen (many of whom don't need it at all) here are a few do's and don'ts:

- DO'S**
1. "Type copy double space, with name of publicity chairman, telephone number, and date across top of paper."
  2. "Leave two or three inch strip of paper unused between information at top of paper and the beginning of news item. Leave one inch margins and use one side of paper only."
  3. "Keep item as brief as possible, while still telling everything that is of interest to the reader."
  4. "Have news in as early as possible. While 12:00 o'clock Wednesday is the news deadline, items which are in the office Monday or Tuesday (or even better, on the weekend) have a greater chance of getting in the paper."
  5. "Be sure to check the spelling of names. Also, instead of 'Mrs. Smith or Mrs. Jones' give first names or initials."
  6. "If an article must be handwritten, it should be double spaced and have one inch margins, with care taken that m's, w's, u's, i's, e's, r's, etc. do not all look the same. Use one side of the paper only. Don't be like the person of whom it was said, 'Her writing is beautiful but I can't read it'."
  7. "The opening paragraph of an article usually should contain the famous 'five w's': who, what, where, when, and why. In other words, 'Who is having what? When and where?' The 'why' tells the purpose, as, 'It is being held for the purpose of...'"
  8. "In the case of church notices, etc., observe the style of the newspaper. If, for example, it always has the time first, the editor would like it a lot if you'd type your release that way!"
  9. "If you want suggestions on your particular releases, stop in to see the editor during the quieter half of the week, after the paper is out. He'd be glad to talk with you."

- DON'TS**
1. "Don't (on club items, etc.) send in an outline of what has happened or will happen. It can't be put in the paper that way and there's no time to rewrite it."
  2. "Don't include in news articles long histories of a club or dissertations on its purposes. If they are sent separately, as information to guide the paper, they might be used as basis for an editorial."
  3. "Don't take it as a personal affront if an article does not appear at any time. We aim to make as many people happy as possible with the limited time at our disposal!"
  4. "Since a paper exists largely because of its advertising income, don't, in most cases, ask to have ticket prices, etc. included in your release. That's advertising! If your affair is worth going to, put in an ad for a dollar or two and tell the world about it. Besides, that often makes your release a 'must'!"
  5. "In the event that you have a really important story of town-wide interest, don't hold it up for any of these rules—just get it in!"
  6. "If you don't need this, clip it out and save it for future publicity chairmen."

Peter Fairchild, Vice-President of Allied Youth Council presents ticket to Allied Youth Night to Town Manager Edward C. Monahan, while President of group, Carol Dannenberg looks on.

## THE MARCH OF DIMES

### Kent Announces His Candidacy For Selectman

School Committee Chairman, Charles R. Kent, of 61 Hillside Ave., this week announced his candidacy for the office of Selectman in the town elections to be held in March.

The decision of the present Selectman not to seek re-election prompted Mr. Kent to enter the Selectman contest. "The Board of Selectmen is a most important body under our form of government, and I believe that my civic and business experience permits me to offer myself as a qualified candidate," Kent stated. Mr. Kent has served four years as a School Committee member and cites this experience as invaluable in giving him a knowledge of the workings of our town government. "In my judgment," said Kent, "too often in the past candidates without proper qualifications and true civic interest have by their actions made a travesty of local politics. In all sincerity I invite any qualified candidate to vie for this office. I believe the voter is entitled to a choice of good candidates. Those who seek office with the intention of merely conducting a popularity poll do themselves and the people, as well as politics itself, an injustice."

"As evidenced by the new frontier of public holders, I believe the voter to be more discerning now than ever before. Ideally, one should progress in public service to serve in the office in which he believes he can be of most value. I can assure the Arlington voters that it is with this motivation that I seek the office of Selectman," Kent concluded.

### Show Film

Samuel Pando, presiding minister of the Arlington congregation of Jehovah's Witnesses has announced that he has arranged for a free showing of the 1 1/4 - hour color film "Divine Will International Assembly of Jehovah's Witnesses," at Chestnut Hall, 25 Chestnut St., Jan. 5, at 7:30 p.m. The public press, newsreel and other news channels, gave world-wide attention to this assembly of 1958, acclaiming it as the world's largest Christian convention. For eight days it packed out both Yankee Stadium and the Polo Grounds in New York City. A quarter-million delegates from 123 lands were present at the climax of the event to hear Nathan H. Knorr, Watch Tower Bible & Tract Society's president, speak on the subject, "God's Kingdom Rules - Is the World's End Near?"

### Manager Moderates Panel Discussion

Cutter School P.T.A. will feature a panel discussion, "YOUR CHILD - HIS COMMUNITY," at the mid-winter meeting Jan. 9 at 8 p.m. at the Cutter School Hall.

Outstanding community leaders have graciously given their time to enlighten and answer questions about your town's facilities.

Town Manager Edward C. Monahan will act as moderator. Reverend Robert W. Bullock, Woburn Deanery C.Y.O. Moderator; Inspector John Lecain, Juvenile Officer, Arlington Police Department and Mr. Robert Walsh, Vice President of Arlington Youth Council will complete the panel.

### Garden Club Hears Mrs. Rice

of Arlington. This to me is most undemocratic.

I believe my reasons are valid for opposing the candidacy of Mr. Kent for Selectman at this time. If he does not agree, then he is capable of expressing his side publicly just as I have taken this opportunity to state my viewpoint. Perhaps there are others who will want to express their opinion in this matter.

## NEUTRAL OBSERVER

Only six spots will be contested or at least open for the contest in this year's Town Election in March.

Three are to be elected on the School Committee, and one each on the Board of Selectmen and the Board of Assessors; the sixth contest could take place for Town Moderator.

This is the one year of three that only one member will be elected to the Board of Selectmen. Three candidates officially have taken out papers according to the Town Clerk's office: Chris Cammarata, Paul Campbell and John Bullock. Cammarata and Bullock would be the strongest of the three. However, Charlie Kent announces in this week's News that he is a candidate for Selectman.

To the Observer's way of thinking this makes Charlie the number one man at this point. If the election would be held today, Charlie would get the nod. Incidentally, scanning through copy on the Editor's desk, the Observer caught a glimpse of a "letter to the editor" in strong opposition to Kent's running for one office while holding another.

Plenty of controversy about this one too. Should a man already holding one office, seek another? The letter referred to above may be the first of a series of shots about this. Others have done it, why not Charlie? Certainly, if a man is capable, he is entitled to seek higher office. No one ever questions when a loser comes back for more whether for the same office or for another. Why should a winner seeking office be so different? --And there's a story running on the front page explaining the whys and wherefores of this matter.

Jim Daily, Velma Brown and John Morine, the team of three years back are up for re-election again. Morine should have little trouble "romping home." Daily, the Observer hears, is undecided as to whether or not to run; and Mrs. Brown if she runs could well have her hands full.

Two candidates have already taken out papers for this battle—Jim Barry, Jr., who got his feet wet in a recent House-ing Authority contest and Ed McCann who made a good showing in the School Committee race last year against real stiff competition.

Should Daily not run and should Kent be elected to the Board of Selectmen, two and possibly three new members could be elected to this Board; by far the largest turnover in some years.--And look for some teams here again this year.

Another possible candidate is Joe Daley, Housing Authority candidate of a year ago. For Assessor, Walter "Buzz" Cooledge, Jr., looks like a winner for another term; little competition here.

Larry Corcoran up for re-election as Moderator could run into opposition. Everyone's waiting in this one.

Other names whispered around as potential candidates here and there include Burke and Marcellino, for what office the Observer has yet to find out.

## Christmas Season At Local Schools

Arlington's two junior highs combined for a fine musical program of Christmas music this year, with a concert offered by the combined glee clubs and orchestras. The program was presented at Junior High East Dec. 19. It was also to have been given at Junior High West Monday out difficulty in the heating plant that day forced cancellation.

The combined seventh grade glee clubs sang "A Christmas Folk Song" and "Christmas Night" under the leadership of Mr. Ernest DeNapoli, with Richard Palombo and Maxine Aliman having solo parts. They also offered "Shepherds, Shake Off Your Drowsy Sleep" under the leadership of Miss Mary Barry, with Nancy Truelson as soloist.

The Junior High West orchestra played "Rudolph, the Red Nosed Reindeer" and "Deck the Hall" under the baton of Mr. William Edmonds. The eighth grade combined glee clubs sang "Ave Maria" and "The Virgin's Slumber Song" with Fred Cummings soloist, under the leadership of Mrs. Sandra Howe, and "O Come O Come Emmanuel" led by Miss Barry, with Carolyn Zaloga doing the solo part.

The program closed with the combined orchestras playing Bach's "Break Forth, O Beauteous Heavenly Light" conducted by Mr. Edmonds.

# Arlington Beats Brookline, Tie With Latin For Second Place

Arlington high school and Cambridge Latin high, each with a game in hand, trailed Newton high by three points going into Saturday's games in the G.B.J. hockey league race.

## Adult Education

### Classes Resume

Students in the Arlington Adult Education Schools will return to classes beginning January 8.

Registration for new courses will be held during the same week on Monday, Tuesday, Wednesday and Thursday evenings at the Adult Education office in the senior high school building.

New courses offerings will be in Metalcraft and Enameling on Wednesday evenings, Fabric Painting on Wednesday evenings, Leathercraft on Tuesday evenings, Typing Beginners on Monday evenings, Typing Advanced on Thursday evenings.

Arlington Residents who have friends or neighbors who would benefit from the Americanization and Citizenship courses are urged to persuade these prospective citizens to attend the Adult Civic Classes on Tuesday and Thursday evenings at the senior high school.

Meanwhile, three other teams are deadlocked for third place in the loop.

Arlington grabbed off a share of second place by beating Brookline 3-0 on Dec. 27. Newton took over undisputed possession of first place at that time beating Medford 3-1, while surprising Rindge Tech upset Latin 3-2.

Rindge then ran into trouble of its own Saturday when Brookline without a win in five starts held the Cambridge team to a 1-1 tie.

The tie, however, was enough to earn Rindge a three-way tie with Somerville, which bowed to Newton and Medford which edged Waltham 4-3.

In the game last Wednesday, Arlington and Brookline battled to a scoreless tie for over a period and a half before Joe O'Brien scored for Arlington at 7:51 of the second period with an assist from Pete Lax.

The teams battled on even terms scoring-wise until late in the third stanza when Lax scored an unassisted marker at 8:15. Gordon Clarke tallied the final Arlington marker less than a minute later, assisted by Kierstead.

Arlington was scheduled to meet Cambridge Latin last Saturday, but the contest was postponed until next month since some of the Arlington players were with the football team on the trip to Miami.

## Fidelity House Notes

By Kathy Carney

The St. Agnes Varsity Hockey Team broke all records for playing three games within thirty-six hours in all parts of Boston.

To start the day off and also the last day of 1961, they played in Boston in the Catholic Youth League game at the Boston Arena. Sunday they played St. Adelbert's of Hyde Park and tied 5-5.

At 5 P.M. they played B.C. High Varsity at the Lynn Arena, which was the first game of a three game New Year's Hockey Festival. In this game they tied B.C. High 2-2.

On January 1, the second annual SKATARAMA took place at the Boston Skating Club. And the St. Agnes team beat Christopher Columbus 3-1. St. Agnes' goals were scored by Paul Shea, Paul Smith, and Gilbert Quinn.

A very timely topic, "Africa Today", will be the subject of a lecture by Dr. Gustave Landt at the Jan. 11th meeting of the Arlington Woman's Club.

Dr. Landt, a chemist by profession, received his doctorate at Columbia University, and has held positions as instructor at Columbia and as Associate Professor in Chemistry at the University of Delaware.

He has done pioneer work on plastics and has published many scientific papers on this and related subjects. He has been Technical Director of the members of the Golden Age John Crowley, Ronnie Pike, Continental Diamond Fibre Co. Club, with their program "Fun With Music".

Maple Leafs	0	1	0	1

In the second round of play, the Maroon and Rangers battled to a 0-0 deadlock. The goal tending of Burke and Elliot was outstanding. The defensive play of "Dick" Butler of the Maroons was a sight for sore eyes; this young man looks like another "Eddie" Shore.

The second game of the morning was another deadlock; Rockets 1 - Canadiens 1. Young Toczykowski weaved his way down the center ice and passed to Brian Curry who poured the puck high in the upper corner of the net. With about three minutes to go, the Canadiens poured it on as "Ted" Bowser after receiving a pass from Tommy Gano raced up to the mouth of the goal and fired to tie it up 1-1.

The high scoring Red Wings scored two goals to push the Maple Leafs into the cellar. Bob Felicari took a pass from Bob Luongo for the first score. Jack Curtin scored the second goal after receiving a pass from Jack Regan to put the game on ice 2-0.

The high flying, fast charging Black Hawks had all they

could do to hold off the second-place Bruins. Young "Teddy" Dorrington soloed down the left side of the rink and made a ten foot sizzling shot from an impossible angle to keep his team in first place.
